COMPANY HISTORY

Sunnen Products Company Inc, was founded by Joe Sunnen St Louis Mo in 1924

Gus Sunnen
1932-1958

- In 1924, Joe Sunnen founded Sunnen Products Company in St. Louis, MO.
- In 1932, Gus Sunnen (Joe's older brother) expanded the business into Canada.
- Canadian operation manufactured Sunnen honing machines, tooling and abrasives.

Augie Sunnen
1958-1998

- "Augie" (Gus' son) assumed management of the company after his father's death in 1958.
- In 1980, Augie purchased the company from Sunnen Products, and Guspro was born.
- Guspro ceased manufacturing of Sunnen products in Canada, but continued as an exclusive distributor.
- Guspro later expanded into the skate care industry with the acquisition of Blademaster®.

Paul Sunnen
1998 - 2018
(President)
2019 - Present
(Chairman of the Board)

- Paul (Augie's son) left his role as a technologist in the Honing Lab at Sunnen Products in St. Louis to join Guspro in 1983.
- Paul grew the Blademaster® line and quickly expanded the business to include BAYCO® heat cleaning ovens.
- Augie retired in 1998 and Paul was promoted to President (current owner).
- In 2007, Guspro celebrated its 75th anniversary and was named Industry of the Year by the Chamber of Commerce.

Brian Sunnen
2010 - 2018
(Vice President)
2019 - Present
(Executive Vice-President)

- Brian (Paul's son) joined the company in 2010 and was promoted to his current executive position in 2012.
- Company headquarters and manufacturing operations were relocated to a modern 100,000 square foot facility.
- In 2014, Brian oversaw Guspro's expansion into the curling industry with the acquisition of Ice King™.

WHY WE DO IT

Proven Track Record

Guspro has over 80 years of experience when it comes
to exceeding our client's needs and expectations. Trust
Guspro to be your solution provider!

What makes Guspro the right choice is our factory
trained sales representatives – we are a true one
stop supplier. All of our salesmen are 'hands-on',
with significant technical skill and field experience.
They will provide start-up training, field service and
troubleshooting of all our product lines.

Guspro also boasts a full-time Technical Support and
Customer Service Staff to assist our clients in a timely
and efficient manner. Most technical support services
are offered free of charge!

Guspro products are sold, serviced and trusted in
over 50 countries worldwide. We are your trusted
source for Skate Sharpening, Heat Cleaning and Ice
making Equipment. We can also provide a complete
line of distributed products for Industrial and
Automotive applications.
